

The University is pleased to announce that in partnership with Welcome Work Environments a range of ergonomic seating has been produced for both staff and students which meets the guidelines laid down by the University's E.H.S. dept for ergonomics, health & safety and the Purchasing Department's requirements for availability, model choice and value for money. The features of this new furniture range are :-

- AFRDI* level 6 'Severe Commercial' grade for strength & durability
- GECA** tested and approved
- Choice of 100% wool fabric or wipe clean vinyl in several colours
- Moulded foam to Australian standard 2238.3.1999
- Free delivery direct to the user's department
- Full 5 year warranty
- Every chair carries operating instructions, fabric care instructions and purchasing history

Access to order the contract chairs is available through the Purchasing Goods and Services link on the University's Staff home page.

Items may be purchased online or by completion of the order form on the website

Delivery in just a few days, including outlying campuses.
